NEWS!

Our Animal Caregiver/Veterinarian Charity Fund has been very active! We help (when we can) people in the USA. We also have a **Walk-A-Mile Program!** Schools, youth groups, churches, individuals, etc. can do the walk to help people and animals! Just send us an email!

"Thank you so much for helping our precious Bubba with his medical care. Bubba is a blind cat we found in early August covered in mud and staggering across the road. Although someone heartless dumped Bubba, he has such a kind and

trusting spirit and is so happy to have a safe place to call home.....he is just one big and calm cat that loves to spend his days sleeping and cuddling. Thank you again for your kindness and the wonderful help you gave to him and us." Erik & Tracy, CA

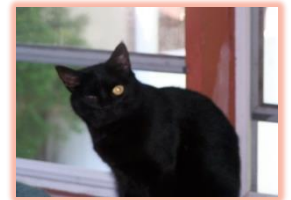

No more cataracts! She can see! Thank you so much for your kind donation!
Mindy, AL for Lucy

As of September 16th, we have donated in 2014 approximately \$4,500.00 in the USA. We are continually getting requests and seeking ways to raise funds! If you would like to be a partner in helping people and animals, please consider a one time donation or you can join our **MONTHLY SUSTAINER PROGRAM!** Just fill out the below form and mail to: God's Creatures Ministry, P.O. HOPE FOR STRAYS PROGRAM

Shannon Rose, pictured, was trapped and neutered. She loves to purr and has one eye. She had a polyp in her ear causing continual infections. It was removed and she is living a happy life.

We encourage trap/neuter/return (TNR) to help the stray cat population. We believe that allowing them to breed causes them to become sick and have sick offspring to continue the cycle of overpopulation of unhealthy cats. Ideally, we hope all strays will find loving homes to live out their lives in peace. Please consider helping your local rescue group. ☺

Reminder! October 16th is National Feral Cat Day! They need our help.

Please consider making a donation! Just cut out below and mail. Thank you!
