(c) IACUC Functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall: (3) Prepare reports of its evaluations conducted as required by paragraphs (c)(1) and (2) of this section, and submit the reports to the Institutional Official of the research facility; If program or facility deficiencies are noted, the reports must contain a reasonable and specific plan and schedule with dates for correcting each deficiency.

The facility inspection conducted by the IACUC on June 13, 2006 did not have dates for correcting each deficiency. The facility inspection in November 2006 did not mention or indicate if the non compliances from the previous facility inspection had been resolved. The IACUC must follow up and document corrective actions of cited non compliances. Failure to document corrective actions or follow up on non compliances may lead to unresolved violations and further citations.
