INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

(c) IACUC functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall:(1) Review, at least once every six months, the research facility's program for humane care and use of animals, using title 9, chapter 1, subchapter A--Animal Welfare, as a basis for evaluation.

2) Inspect, at least once every six months, all of the research facility's animal facilities, including animal study areas, using title 9, chapter 1, subchapter A-Animal Welfare, as a basis for evaluation; Provided, however, That animal areas containing free-living wild animals in their natural habitat need not be included in such inspection.

IACUC has not conducted any program review of the humane care and use of animals and has also not done any inspection of all research animal facilities, including animal study areas since Feb.27,2006. All research facilities must review it's programs of humane care and use of animals and must inspect all animal facilities,including animal study areas, at least once every six months, using title 9, chapter 1, subchapter A, as a basis of evaluation. A system must be in place so that facility's program reviews and inspection of animal areas in relation to humane care and use of animals be conducted at least once every six months.
