201 HIGHWAY 321 SOUTH PO BOX 507  
DALLAS, NC 28034 1499

**3.1 ( b )**

**HOUSING FACILITIES, GENERAL.**

Section 3.1(b) states "Condition and site. Housing facilities and areas used for storing animal food or bedding must be free of any accumulation of trash, waste material, junk, weeds, and other discarded materials. Animal areas inside of housing facilities must be kept neat and free of clutter, including equipment, furniture, and stored material, but may contain materials actually used and necessary for cleaning the area, and fixtures or equipment necessary for proper husbandry practices and research needs."

There is a storage area room directly next to the dog run where various items are being dumped. Extra food bags are in there and many items which do not directly relate to the care of the dogs in the area (such as a bag of shredded paper). The clutter in this area needs to be cleaned up, excess items removed, and the room kept organized.

To be corrected by 2-10-06.
