See the glossary of terms for the definitions of "facility" and "site," also explained in this section.

Inspections for compliance are unannounced inspections. These do not include prelicensing or preregistration inspections, or attempted inspections. (Prelicensing/preregistration inspections are announced.)

Attempted inspections are compliance inspections that could not be performed for certain reasons--usually because there was no one available at the facility when the inspector arrived unannounced.)

Intransit Carriers is a category representing commercial airlines.
