ACCESS AND INSPECTION OF RECORDS AND PROPERTY.

(a) Each dealer, exhibitor, intermediate handler, or carrier, shall, during business hours, allow APHIS officials:

- (1) To enter its place of business;
- (2) To examine records required to be kept by the Act and the regulations in this part;
- (3) To make copies of the records;
- (4) To inspect and photograph the facilities, property and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations and the standards in this subchapter; and
- (5) To document, by the taking of photographs and other means, conditions and areas of noncompliance.

***I arrived at the facility at 10:50 am. The front desk attempted to notify the Corporate Veterinarian. The Animal Care staff returned the call and said the veterinarian was taking care of something but someone would come down to meet me. After waiting for an hour no one had arrived. I left a message with the desk to let them know I would return another time. Personnel shall be made available to accompany APHIS Officials on unannounced inspections.
