MISCELLANEOUS.**

(h) Health certification.
(1) No research facility, including a Federal research facility, shall deliver to any intermediate handler or carrier for transportation, in commerce, or shall transport in commerce any dog, cat, or nonhuman primate unless the dog, cat, or nonhuman primate is accompanied by a health certificate executed and issued by a licensed veterinarian. The health certificate shall state that:
(i) The licensed veterinarian inspected the dog, cat, or nonhuman primate on a specified date which shall not be more than 10 days prior to the delivery of the dog, cat, or nonhuman primate for transportation; and (ii) When so inspected, the dog, cat, or nonhuman primate appeared to the licensed veterinarian to be free of any infectious disease or physical abnormality which would endanger the animal(s) or other animals or endanger public health.

5 Non human primates were shipped from Oklahoma to Texas without a health certificate. Shipment paperwork only included the acquisition /disposition form and a temperature acclimation statement . A health certificate was not included with the shipment paperwork for these animals. Health certificates shall be issued for all non human primates transported in commerce.

Inspection of the shipment paperwork was conducted during a routine inspection at SWFBR in San Antonio ,Texas.
