Kindest Regards,

• The and all of you who signed the petition and took action! We want to thank all of our coalition partners cancelled the project! We are very pleased to announced our efforts succeeded, and Disney+ stand down.

We quickly formed a coalition of animal protection organizations, released a glorifying the world's most cruel and deadly rodeo - the Cheyenne Frontier Back in February we heard that Disney+ was moving forward with a movie events for animals abused and killed by the CFD rodeo! Rodeos can't survive without corporate money, so this was a great turn of campaign exposing sponsors of this cruel rodeo, Bank of the West has being a platinum sponsor. It is our pleasure to announce, that Bank of the West has been a long time sponsor of the CFD rodeo, including Coors beer.

You can stand up for this victim, and the others abused by rodeos. Please do The story of this poor horse is just one example of why we have to
